Accredited Investor Questionnaire (United States)

Please complete and sign this questionnaire and return it to UBITQUITY, LLC via email to our Investors Relations department: IR@ubitquity.io. Your response will help the company determine how to best structure a possible reclassification of the company's membership units that would allow the company to deregister its membership units with the U.S. Securities and Exchange Commission (SEC) and suspend its public reporting obligations. The company is requesting this information because under applicable regulations, some classes of membership units may not have more than a specified number of members who are not “accredited investors,” as defined by the SEC, if the company's membership units are to remain deregistered.

For those members who own membership units in multiple forms (individually, joint ownership with spouse, through a corporation or limited liability company, etc.), please complete a separate questionnaire for each form of ownership. Thank you for your time and assistance in completing this questionnaire. If you have any questions about this questionnaire, please contact Founder & CEO Nathan Wosnack at: nathan@ubitquity.io.
